

Bradley “Brad” Coleman Barron

President & CEO
NuStar Energy L.P.
San Antonio, Texas

Brad Barron serves as President and CEO of NuStar Energy, L.P., a publicly traded master limited partnership, which is one of the largest independent liquids terminal and pipeline operators in the nation. NuStar has approximately 10,000 miles of pipeline and 75 terminal and storage facilities that store and distribute crude oil, refined products and specialty liquids. The partnership's combined system has approximately 75 million barrels of storage capacity with operations in the United States, Canada and Mexico.

NuStar has over 1,400 employees and has been named one of Fortune Magazine's *100 Best Places to Work*, as well as one of the *Best Workplaces in Texas*, *Best Workplaces for Millennials*, and People Magazine's *Companies That Care*.

Brad is a member of the Executive Committee of the United Way of San Antonio and Bexar County and is currently serving as the 2020 UWSA Campaign Chair. He also serves as a member of the Energy Advisory Council for the Federal Reserve Bank of Dallas, San Antonio branch; in addition to being a member of the Community Advisory Board for Haven for Hope; the St. Mary's University President's Leaders Council and is a member and the past chairman of the board of directors of the Valero Alamo Bowl. He has previously served as a board member for the Texas Tech University Foundation and several San Antonio non-profit organizations. Brad is also a Life Fellow of the Texas Bar Foundation.

Brad is a native of South Texas and holds a Bachelor of Business Administration degree from Texas Tech University and a Juris Doctorate degree from the University of Texas School of Law. In addition, he holds a Master of Arts degree from St. John's College.
