

J. RANDOLPH “RANDY” HARIG

J. Randolph “Randy” Harig has 40 years experience in the medical industry. This includes direct sales to customers as well as all levels of management within Healthcare.

As an independent distributor for a major orthopedic medical company, he has exercised all activities relating to the sales and marketing of products at the customer level. Randy has held executive level positions in various businesses relating to the healthcare delivery system: President of a medical equipment leasing firm, President and CEO of an investment firm directed at medical properties, Managing General Partner of the Nix Medical Center, a 160 bed medical center and office complex, President and CEO of a regional manufacturer’s representative company and Chairman of the board of a Contract Research Organization. Mr. Harig served in the US Air Force and Army Reserve for a total of 10 years. Randy is a founding member of The Clocktower Bourbon and Cigar Club, an organization founded to further communication and good will between the senior military leadership and community leaders. Mr. Harig serves as the San Antonio Chamber representative to the Commander of Army South.

In December 2013 Mr. Harig retired as President and CEO of RH Medical Inc., marketing and distribution firm serving U.S. and the Republic of Mexico. The primary product interests were in orthopedic surgery, spine surgery and rehabilitation specialties. Randy most recently served in the position of Business Development for OfficeSource Ltd. and is a partner in a Real Estate entity focusing on development of Commercial and Multifamily projects under Live Small LLC.

Randy was appointed Chairman of Texas Research and Technology Foundation (TRTF) in December 2016. Since then he has redirected the focus of the foundation by forming VelocityTX and developing an innovation hub in downtown San Antonio. On September first, 2017 Mr. Harig changed position to President and CEO of TRTF to oversee the growth of this hub.

Mr. Harig is very active in civic and church affairs and is a former member and chairman of Centro 21 (a San Antonio City Council appointed task force directed to promote downtown growth). Mr. Harig has been a board member of the Research Park foundation since 1985 and has held numerous positions within this board and is currently the Chairman Elect. He is a Second Vice Chair of the University Hospital Foundation. Mr. Harig recently served as a Fiesta Commissioner. Randy is a member of the Order of the Alamo and his daughters, Kay Kay and Jenness were Duchesses in 2006 and 2013. He is active in the Consejo organization. He has served as the Day Minister for Rey Feo Mr. Tom Sineni and Prime Minister for Rey Feo 59, Mr. Brian Weiner. Randy is a member of the Chevalier du Tastevin and travels around the world to meetings for the organization.

Randy has four children, four grandsons and a new granddaughter. He is active in outdoor sports such as golf, hunting, motorcycling and bicycling around town. He and his wife Kay enjoy traveling around the world extensively.
