

2023-2024 FAFSA Dependency Status Verification

Your independent status on the 2023-2024 Free Application for Federal Student Aid (FAFSA) is based on your answers to Dependency Status questions. Because you answered "yes" to one or more of these questions, we must collect legal documentation verifying your status. Check the box that best represents your situation and submit the required documentation.

If you cannot check one of the statuses below AND cannot submit the required legal documentation, the corresponding 2023-2024 FAFSA dependency question was answered incorrectly. Please correct your FAFSA at www.studentaid.gov and provide parental information. You are considered a dependent student for financial aid purposes.
