**Estimate of Expenses**

Students may be charged additional fees associated with their education level, choice of major, and/or course requirements. All International Students are required to have health insurance. For more information these estimates, please contact your admissions officer.

The estimated expenses on this sheet have been specifically developed for regulatory purposes related to the issuance of a student's I-20 or DS-2019; as such, these figures may not reflect a student's actual cost of attendance or their specific tuition and fees. Students should contact the Business Office and their academic department to determine exact costs.

**Dependent Costs**

If you are married and plan to bring your spouse and/or unmarried child(ren) under the age of 21 years with you, you must provide additional financial support for issuance of an F-2/J-2 dependent I-20/DS2019 form. **Add \$5,000 for your spouse and \$3,000 for EACH child for an academic year. You must also please attach a copy of each dependent's passport and documentation of their relationship to you (marriage certificate/birth certificate).**

**Health Insurance**

If a student pays for Spring semester Health Insurance, they are covered through the summer. If a student starts his/her studies in the Summer, then she/he pays the summer cost plus the cost of any additional semester(s) of study.

**Source of Funding**
