## Texas Education Code Section 51.252 Chief Executive Officer Report

TO: **St. Mary's University Board of Trustees**  
FROM: **Thomas M. Mengler, President St. Mary's University**   
DATE: **April 04, 2024**  
RE: **Chief Executive Officer Reporting Requirements under Tex. Educ. Code § 51.253(c)**

September 2023 saw the submission of the most recent Chief Executive Officer Report. We will now be providing the required report in April, coinciding with the Board of Trustees meeting, in order to guarantee that it is provided during one of our regular board meetings.

Under the Texas Education Code (TEC), Section 51.253(c), the institution's Chief Executive Officer is required to submit a report at least once during each fall or spring semester to the institution's governing body and post on the institution's internet website a report concerning the reports received by employees under the TEC, Section 51.252, concerning "sexual harassment," "sexual assault," "dating violence," or "stalking" as defined in the TEC, Section 51.251, and any disciplinary actions taken under TEC, Section 51.255.

For the purposes of complying with the Chief Executive Officer's reporting requirements under TEC, Section 51.253(c), the attached summary data report<sup>1</sup> includes all of the required reporting information to the **St. Mary's Board of Trustees** for the time period of **June 01, 2023** through **March 26, 2024**. The summary data report is categorized based on the reporting requirements under TEC, Section 51.253(c). The reports received may be applicable in multiple reporting categories, and therefore, the summary data in the categories may not add up to the totals of other categories.

The summary data report is also posted on the institution's website as per the public reporting requirements under TEC, Section 51.253(c) at <https://www.stmarytx.edu/compliance/title-ix/summary-data-report/>

Note:

Any additional reports received by the Title IX Coordinator that do not meet the required reporting criteria in the Texas Education Code have been omitted for the compliance purposes of this specific report.

<sup>1</sup> When identifiable, duplicate reports were consolidated and counted as one report in the summary data, and confidential employee reporting is noted as a sub-set to the total number of reports received.
