Jazz Camp

St. Mary's University

San
Antonio,
Texas

June
15-20,
2026

With featured guest artist Carl Allen

The St. Mary's University Summer Jazz Camp provides an intensive experience for middle and high school students, ages 12-18, looking to gain skills and appreciation in jazz and improvisation. The students will study with members of the St. Mary's University Jazz faculty, who are some of the most respected jazz educators in the San Antonio area and beyond. Students will have many opportunities to work on their craft and hear the faculty perform daily. The week culminates with a final performance by the campers to be held in the St. Mary's University Center.
